NATIONAL DEMOCRATIC TICKET. FOR PRESIDENT. SAMUEL J. TILDEN. Of New York, 300 la FOR VICE-PRESIDENT.

THOMAS A. HENDRICKS, Of Indiana. FOR GOVERNOR JAMES D. PORTER Of Henry, FOR CONGRESS CASEY YOUNG,

LEGISLATIVE TICKET. Senator for Shelby, Favette and Pipton, WM. A. MILIJKEN,

Of Shelby.

I totorial Representative for Bhelly and Fayette, WM. A. COLLIER. Of Shelby. Senators for Shelby County, J. J. DUBOSE, S. C. MADDUX. Representatives for Shelby County M. D. L. STEWART GEO. B. PETERS, HENRY L. DOUGLASS, W. H. NELSON, W. W. COLEMANN, THOMAS C, LOWE.

POLITICAL PREDICTIONS. Almost every day we are asked what the result will be in Tennessee as to the gubernatorial election. There is no motive for deception in this matter. Indeed, it would recoil upon the APPEAL were it to delude its readers, and we speak candidly in expressing the opinion that Porter's majority over Thomas will not be less than thirty thousand, and may possibly reach fifty thousand. The men who are talking about Thomas's strength are deluding themselves. In Shelby county, and a few other loce, he will get nearly the entire Radical vote, but in many counties the Radicals will not indorse the trade which was made between Thomas and the Radicals in the Republican State convention, who opposed the of a Republican candidate for governor, on the ground that Thomas would be a more efficient Harris wherever he makes his apthe Democratic party than a regular nomination. Yardley will get colored votes over the State, and in many counties Maney will receive more Radical votes than Thomas. The election of Thomas as governor of ris addressed the people of Rutherford Tennessee, is an absurdity. The Shelby- heard of the powers of Tennessee's vote of Bedford county, says: "Now, lavorite son, but were not prepared for we know what we are saying, and we affirm that Maney will not get a single Democratic vote in Bedford the distinguished forensic ability of the gentleman. In his discourse of two hours county, and that Governor Porter will and twenty minutes, there was not a get the solid vote of the party, and will be elected by not less than fifty to seventy-five thousand majority over all his of the masses he addressed were standopponents. The fact is, the Radical party is badly demoralized in Tennessee." In discussing the gubernatorial election the Chattanooga Times says: "We have the speech of a statesman and oratorreceived news from almost every portion of the State relative to the re-election of Hon. James D. Porter, the Democratic and the old flag was grand and eloquent. nominee for governor, and we are gratified to announce that the intelligence is of the most cheerful and encouraging character. He was unanimously nominated, and deserves to be re-elected by an increased majority. There are three opponents arrayed against him; there are few such patriots, few such two Republicans, General George Maney | orators, few such men of common sense and Esquire Yardley, and one Inde- as he exhibted himself to be. We but pendent, Dorsey B. Thomas, who pro. reflect the opinion of the people of fesses to be a Democrat. Dorsey B. Rutherford when we say we are in favor Thomas is a chronic office-seeker, and of his election to the United States senhas arrived at a conclusion that no one ate for the long term. So say our peoelse concurs in, that is, that he has per- ple, so say the masses of the State. We formed important services for the people | run his name up the head of cur colof Tennessee, and therefore they ought | umns for the senatorial long term." to elevate him to the chief executive office of the State. He has but a handful of followers-a mere corporal's guard -and he, as well as every other sane port of the discussion at Bartlett on Satman, knows that he has not the ghost | urday last. We understand that the | LOUIS HANAUFR : : : President of a chance of election, and the best and speech of T. C. Lowe, one of the Demomost sensible course he can pursue is to cratic nominees for the State legislature,

of the Radical party." In every other county in Tennessee the Democratic party is united in supporting the regular party nominees, and if the Democrats of Shelby would command an influence in the party commensurate with their large vote, they will not by a factious course sever themselves from their party friends in other parts of the State.

SQEEZED TO DEATH.

Natural history informs us that the maternal love of the monkey is so strong that it often squeezes its young to death. Hop. Dorsey B. Thomas is about to dis a similar death. The Radicals are embracing him with a loving kindness which is fast crushing the life out of the unfortunate man. Now that Mr. Thomas is the Radical candidate for governor used by the Radicals for no other purpose but to destroy the Democratic organization in Tennessee. The leading Republicans of Shelby county, the In dependents, and the chronic haters of Democracy are united in the support of Thomas, not as a low-tax candidate, but as a tool to sever the organization of the Republican party in this State on the subject of taxation. In their State con himself from ignominious defeat at vention, in May last, they demanded the " the ballot-box." Can this be true? payment of the State debt at all hazards, regardless of the rate of taxation imposed upon the people, and in their last August State convention they adopted the following resolution:

Resolved, That we regard the conduct of the Tennessee Democracy in collecting a forty cent tax, and then refusing to meet the interest on the State debt, while accumulating a fund for which no local use has been prescribed or is pro-posed, as unjust and degrading to the honest tax payers, and as tarnishing the character of our people abroad.

Here is a resolution condemning Governor Porter for not paying the coupons, and now they are supporting Mr. Thomas as a low-tax candidate, and are war- | ring upon Governor Porter for doing precisely what they said in their last State convention ought to be done. The Republican party of Tennessee is the high-tax party. It is committed to the maintenance of the State credit at all hazards, and it supports Thomas for the sole purpose of damaging the Democratic party. But the indications are that the Republicans will squeeze the life out of their foundling before the election. Their loving embrace has driven from Mr. Thomas every man not blinded by prejudice. It is evident that Dorsey B. Thomas is the candidate of the Radicals in Shelby county, who have estailed upon the people the burdens of taxation under which they are stagger-

GOVERNOR HARRIS IN RUTHER

Our distinguished fellow-citizen seems to have revolutionized public opinion in the best material. Tennessee. Without crime and without cause, it was fashionable for Tennessee politicians to abuse Governor Harris. These assaults struck no terror to the man. He knew the people of Tennessee; and conscious of the rectitude of his purposes, he had the philosophy to bide ais time, and he did not have long to wait, for so soon as he appeared before the people and gave his views and expased the calumnies of his enemies, he discovered the truth of the remark of Henry Clay, that "truth is omnipotent and public justics certain." The revolution in public opinion has been marvelous. The reaction has been such as is always produced by a prominent citizen unjustly assailed. It would require several columns of the APPEAL pearance. A few days since he addressed a large and enthusiastic crowd at Murfreesbore, which elicited the following article from the Herald: "Ex-Governor Isham G. Harsingle moment in which his audience seemed to be unconcerned. Two thirds ing, and not a movement was made by any one that indicated they were wearied. CARRY YOUNG AT LAGRANGE. W. W. Gates, editor of the LaGrange Monitor, speaking of the discussion between the candidates for congress, says: We have mingled enough, however, with the citizens here since, and made them talk pretty loud, to be satisfied that Casey Young will not only carry the full strength of his party, but will

get some votes from the more Conserv-

ative of the Republican party."

A TELEGRAM to the Knozville Zvibune from Nashville, dated October 18.h, says there are "certain contingencie which might bring Eughes out; and this done Maney's hopes would be immediately crushed. A very strong feeling exists among the R publicaus in Middle Tennessee in favor of Hugher announcing himself an aspirant for the office of governor. But whether Hughes runs or not, strong intimations have been made here, during the past few days, of Thomas's probable withdrawai before the close of the canvass. Indeed, the only thing that has kept Thomas on has been the persistency of his friends at Memphis, and perhaps other points in West Tenpessee, who have stubbornly insisted that he should not go out of the canvass under any circumstances. He has now, h wever, begun to see the handwriting on the wall, and will in all probability quit the canvass to save
